These studies are about Satan and the strategy he has to wreck your Christian life and destroy you if possible.

* Four persons in the OT had a direct confrontation with Satan. From their experiences, we will look at:

1. the **targets** Satan aims at in your life;
2. the **weapons** he uses to attack you;
3. the **purposes** that he wants to achieve;
and
4. the **defenses** God has provided for
you.

* ***Positionally***, you are in Christ and delivered from the power of Satan.

* This study will help you experience this victory (1 Jn. 4:4, Col. 1:13) ***practically***.

* It is not the reading of truth, or even the enjoying of truth that brings the blessing. It is the ***doing of the truth***.

* Therefore, determine with the Spirit's help to ***put these truths*** we will learn ***into practice!***

Remember: you are not fighting for victory, but from victory - Jesus Christ has already defeated Satan.

- Col. 2:15, Jn. 12:31, Rev. 12:11

Now, on to victory!
